Namor® 2, black matt

# ARMATE® SERVIZIO Namor®

Stainless steel faucets with exquisite design and the utmost precision. From Naber!

All models in the Namor range bear the Naber logo and are manu-factured in top quality stainless steel.

The **three different contemporary shapes** are each available in **brushed stainless steel or matt black** with a high-quality powder coating. The models Namor 2, 4 and 6 have a **pull-out shower head** which can be set to jet/shower.

All Namor faucets are equipped with a **laminar jet regulator** as standard. This generates a soft, natural flow with a non-splashing, low-noise jet of water and **low water consumption**. The swivel range of 120° gives the Namor faucets plenty of scope for action in any sink. All Namor faucets are equipped with **700 mm long connection hoses** for the simplest possible installation.

**Smooth-running ceramic cartridge with scald protection**

**5 years manufacturer's warranty** (apart from wearing parts)
